

BLUECELL EXTRACTS AF2

Innovative aesthetic therapy derived from plant and marine bio-actives.

Microalgae Extract

Botanical Extract

Oxygenin™

Hyaluronan

A full spectrum anti-aging and moisturizing gel serum, formulated with Oxygenin™, Microalgae extract, and botanical extracts, and infused with probiotic ingredients. It nourishes the skin with essential nutrients, promotes a healthy skin barrier, maintains skin hydration, and offers a lifting and firming effect for youthful, healthy-looking skin.

What is BLUECELL EXTRACTS AF2

MF3 BLUECELL Extracts AF2 is a revolutionary formula targeted to combat environmental stress and nourish the skin with anti-aging actives that helps to stop premature aging.

Oxygenin™ is one of the key ingredients and can dissolve up to 49% of its volume in oxygen and delivers molecules directly into the skin. This active ingredient breaks down into water and oxygen, which then supplies the skin with oxygen to give skin brightness and clarity as well as support the skin healing process.

Another key ingredient is Microalgae Extract, which offers an instant perceivable tightening effect after application and a long-term skin firming effect after multiple applications.

MF3 BLUECELL Extracts AF2 is also fortified with a probiotic ingredient derived from Lactobacillus that possess soothing and anti-aging properties. It helps to accelerate skin repair by promoting cell renewal and boosting collagen production, which in turn minimize wrinkles and revitalize the skin.

Upon application, the MF3 BLUECELL Extracts AF2 penetrates deep into the dermis layer and nourishes the skin with the essential nutrients to promote a healthy skin barrier and hydrated skin, offering an immediate lifting and firming effect for youthful and healthy-looking skin.

Bluecell Extracts AF2 Overall Benefits

Firming & lifting effect

Pumping up the skin-renewal process

Support maintenance & production of elastin & collagen

Deliver oxygen to the skin

Breathable skin & improve blood flow

Accelerate wound healing

Provide maximum skin hydration

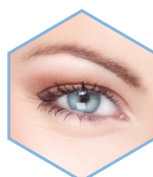

How to use

Apply to face and neck twice a day after toner or before moisturiser. If you have dry skin, wash your face and pat it dry, followed by application of the serum. Then, wait for a few minutes for it to be absorbed. Safe for all skin types.

MOISTURIZER

Provides long-lasting hydration and lifting effect for youthful-looking skin

EYE SERUM

Offers firming and lifting to diminish visible signs of aging

NECK GEL

Lessens appearance of wrinkles and signs of aging on the neck

HAND GEL

Soothes and nourishes skin for softer, smoother and youthful-looking hands

New Improved Formulation

Oxygenin™ (Inert molecule)	Dissolves and delivers oxygen to the skin, which revitalizes it and reduces wrinkles, while increasing the partial pressure of oxygen. Improves the skin's barrier function.
Collagen Elastin HME (Marine Collagen Elastin)	Stimulates collagen synthesis and promotes skin hydration.
Sodium Hyaluronate (Hyaluronic Acid)	Powerful humectant that restores skin moisture, promoting a revitalized complexion and reducing signs of aging in the process.
Hydrolysed Lecithin (Soy)	Serves as an emollient and penetration enhancer. Promotes the restoration of the barrier function of the skin to prevent moisture loss from the deeper layers.
Hydrolysed Soy Protein (Soy)	Regenerates, moisturises and nourishes skin.
Hedera Helix Ivy Extract (Ivy Flower)	Promote skin hydration and relieve skin inflammation.
Chamomilla Recutita Extract (Chamomile)	Promotes natural skin moisturisation, soothes inflammation, and promotes wound healing.
Retinyl Palmitate (Vitamin A)	Exhibits anti-aging properties and antioxidant protection, boosts skin cell turnover, and promotes regeneration of collagen and elastin.
Tocopherol (Vitamin E)	Protects skin against free radicals, neutralizes environmental stressors and prevents premature aging.
Nannochloropsis Oculata (Microalgae)	Provides a protective shield against oxidative stress, stimulates the formation of collagen and provides a long-term firming and tightening effect.
Pullulan (Fungus)	Contains essential antioxidants, retains moisture, and provides lifting and filling effect.
Lactobacillus Ferment (Lactobacillus fermentaiton)	Enhance cellular renewal and speed repair to strengthen and renew skin and to protect the skin against environmental aggressors.
Soy Isoflavone (Soy Bean)	Brightens skin, evens skin tone, reduces skin inflammation, boosts collagen production, and improves skin elasticity.

Clinically Proven Cosmetic Formula

Clinically proven by renowned international entities (clinical study report: CTE43A) and manufactured in accordance to the stringent Swiss cGMP regulations, Bluecell Extracts AF2 is a cosmeceutical innovation crystallized from Skin Health Cosmeceutical Science partners in Switzerland, Germany and the United States, among them winners of the prestigious 2001 Crystal Award (the Nobel Prize equivalent in the beauty industry).

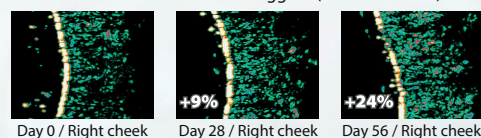

Test on sensory evaluation

Selected sensory evaluation results in Switzerland

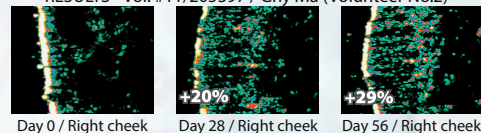

Test on epidermis + dermis density, cheeks

RESULTS - Vol. #8/205155 / Egg Ge (Volunteer No.1)

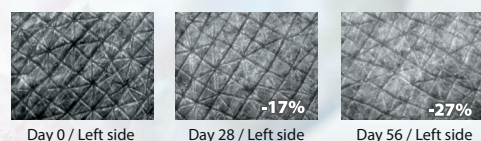

RESULTS - Vol. #11/205397 / Ghy Ma (Volunteer No.2)

Test on skin microrelief (roughness), forearms

RESULTS - Vol. #6/205128/ Bro Si (Volunteer No.3)
